The following is an examiner's statement of reasons for allowance: Based on the decision of the Board of Patent Appeals and Interferences handed down 27 January 2006, it is deemed that the prior art neither discloses nor suggest the limitation of "a trace stub to counteract the attractive force applied by the trace" in combination with the other claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
